Lake Belvadeere Access – grading/culvert improvements

Alliant Energy, TIP-Rural Electric Cooperative, Iowa Telecom, and Wapello Rural Water Association are relocating their facilities at various locations.

The following roads are closed for grading activities:

200th Street - from 300 feet west of 240th Avenue to 24578 200th Street

242nd Avenue – from 200th Street north to campground entrance

240th Avenue – from Keokuk County IKES north to 200th Street
from State Highway 92 to 21251 240th Avenue

Park detours have been established and marked on 210th Street and 250th Avenue. Persons wishing access to the campground area are to use the park access road south of the Belvadeere Dam on 250th Avenue.

All other roads are open to traffic. However, temporary road closures may occur during the workday in order to move equipment, materials, etc. over the roadway. All landowners will have access to their property from at least one direction during construction activities.
