Lake Belvadeere Access – grading/culvert improvements

TIP-Rural Electric Cooperative will be relocating their facilities along 200th Street. All other utility relocations are substantially complete.

The following roads are closed for grading activities:

200th Street – from 242nd Avenue east to 24578 200th Street

240th Avenue – from 20599 240th Avenue to 21251 240th Avenue

210th Street – from 23583 210th Street to 24135 210th Street

Park detours have been established and marked on 200th Street and 242th Avenue. Persons wishing access to the park along 250th Avenue can use the park access road in the campground area.

All other roads are open to traffic. However, temporary road closures may occur during the workday in order to move equipment, materials, etc. over the roadway. All landowners will have access to their property from at least one direction during construction activities.
